

Anti-Corruption Policy

EWT Platforms is committed to conducting business honestly, ethically and in compliance with all applicable anti-bribery, anti-corruption and business conduct requirements.

EWT Platforms does not tolerate bribery, corruption, facilitation payments, improper payments, kickbacks, fraud or any conduct intended to improperly influence a business decision, government official, customer, supplier or other third party.

All directors, employees, contractors and representatives of EWT Platforms are expected to:

- act honestly, fairly and transparently in all business dealings;
- comply with applicable laws and client requirements;
- not offer, give, request or accept bribes, secret commissions, kickbacks or improper benefits;
- avoid conflicts of interest, or declare them where they may arise;
- ensure gifts, hospitality or entertainment are reasonable, lawful and not intended to influence decision-making;
- maintain accurate business, financial and project records;
- report any suspected bribery, corruption or unethical conduct.

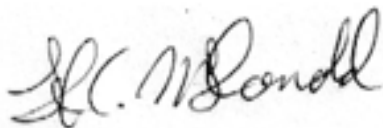

EWT Platforms expects its suppliers, subcontractors and business partners to conduct themselves in a manner consistent with this policy.

Any suspected breach of this policy must be reported to management. EWT Platforms will review reported concerns and take appropriate action, which may include disciplinary action, termination of engagement, or reporting to relevant authorities where required.

This policy applies to all EWT Platforms business activities, including work undertaken for government, mining, infrastructure, commercial and international projects.
